Three weeks and counting ... Silken Laumann heads to Kanata to talk about the importance of play

April 11, 2008 - The Kanata Soccer Club (KSC), one of Ottawa's most established clubs and a member of True Sport, is proud to host Canada's first ever club-driven Player Development Conference on May 2-4, 2008 at the Holiday Inn Select and the Thunderbird Sports Centre. The conference offers coaches, parents, club administrators and sports enthusiasts the opportunity to hear first hand what leading experts have to say about the importance of delivering a quality sport experience to children and youth.

Over the course of the weekend, participants will participate in interactive panel discussions, workshops and technical on field sessions. A banquet and keynote address by renowned Olympic rower Silken Laumann is featured on the Saturday evening.

For more information and ticket information on the Conference please visit www.kanatasoccer.com .
